Is This Your Boy ?.

See him to-day in France—how he lives, how he fights, how he's taken care of. See him keeping America safe and sound for you. See the whole drama of the War.

SEE the mightiest spectacle the human eye ever gazed upon—even more than your boy can see over there—every great incident during the past four years on all the big fighting fronts, from the funeral of Archduke Ferdinand down to America on the sea, on the land and in the air.

SEE Uncle Sam making good—the Navy in action, with submarines, bat-Navy in action, with submarines, bat-tleships, destroyers dropping depth bombs. See all the great men—see the Hun ravaging Belgium—see how we will crash thru to victory. See it all with the eyes of a thousand cam-eras. DON'T MISS IT.

and the American Sault Co-beavily.

Almost everybody in Goldsmith's con-tributed his and her bit to the cause of the child. Unknown to the ciffi, workers in the store went among the employee gathering in nickels, dimes and dollars until the magnificent sum of \$55.18 had been raised. Then the fund was turned over to the club. Goodfellows of Goldsmith's, we wel-come you.

Goodfellows of Goldsmith's, we welcome you.

The employes of the Crescent Jewelry Co. sent in \$30 with this letter:
Goodfellows Club, care News Scimitar: Your circular reached the writers desk today who in turn handed same to Mr. Leppert's efforts among our employes is evidenced by the fact that every line was used for a contribution and we herewith hand you our check for \$30 to cover same.

May the Goodfellows live long and grow larger every year.

Tire Cost In Half-

Charles C.Gates, E.M.

How Millions of Dollars are Being Saved

You have followed many great industrial advancements.

The bicycle, the automobile and now the truck, and if you are a car owner you have kept pace with the development of tires.

The pneumatic tire has made the automobile of today possible, but it has been the source of more trouble and expense than any other part of your

Like every other motorist you have said: "Some day inventive genius will put an end to this."

Your prediction has come true and like many other great inventions it has come out of the necessities of the World War and the genius of an American engineer.

Charles C. Gates, Engineer, has already put millions of dollars back into the pockets of American motorists. The "Half-Sole Tire" is today the wonder of the automobile world-it is revolutionizing the whole tire industry.
